

Are you looking for an used Kraftformer machine?

We always have some on sale - call us.

Used Kraftformers will be completely revised and new painted at ECKOLD. We bring used machines back to a top condition.

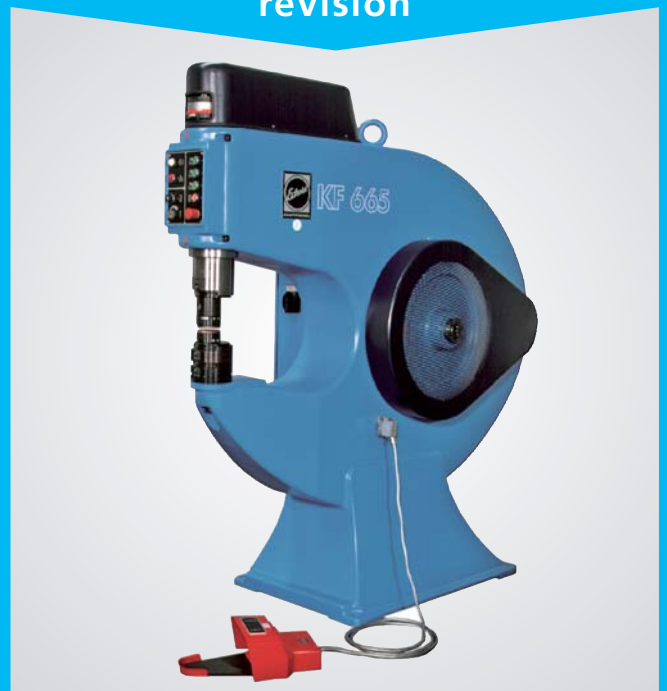

We strongly recommend to: buy a revised machine from ECKOLD. ECKOLD will save you from troubles and disappointments with faulty products.

You will get an **after sale service by us**. We grant a full warranty of 6 months after the purchase. We assure you a **professional helpdesk**. **All spare parts** of revised Kraftformers are still available **for several years**.
